Advanced Air and Heating  
1939 W. Park Ave.  
Edgewater, FL

Date: July 29, 2009

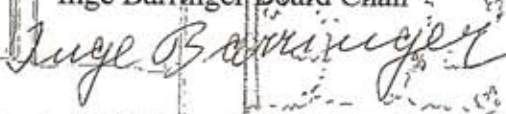

On or about August 15, your technician serviced one of our air conditioning units. As Pastor of Grace Community Church I wanted to thank you personally for donating that service: free of charges to our little church.

Your kindness was mentioned in our Sunday service and appreciated by the congregation. They also wanted to express their thanks as well. You will also find below the endorsement by our Board Chair Person.

Your Company has an excellent reputation in our community and this kind of thing show why you enjoy such a fine reputation. We wish you God's best as we will also say a prayer of thanks to God for leading us to you.

May God bless you and yours,

  
Nick Nicholson Pastor

  
Inge Barringer Board Chair
